**Valid for a period of 12 months from date of issue**

Four types of certificates are issued by PQRS as part of the P4 platform. All certificates issued, are subject to the PQRS terms and conditions. It is important to note that this certificate is not linked to a formal qualification and forms part of a quality assurance platform for the PV sector.

**Test certificates should be combined with other P4 certificates.**

**A 'Performance certificate' is recommended as a gauge to measure overall contractor performance**
